# HP Printer Buy & Try Programme

- You buy. You Try. You decide.
- Simply buy any of the qualifying HP printers and test it within your business and if you're not 100% convinced of the benefits, you can simply return the product to HP for a full refund.\*
- The HP Printer Buy and Try Promotion offers customers a way to buy an HP printer and test it for 30 calendar days. This way they can use the printer and ensure it meets and exceeds their expectations. The best part is, that they're under no obligations. If for any reason they decide not to keep the printer, they can return the product to HP and receive the purchase price in full.
- The benefits are clear, our customers can try our products and see for themselves how good they are.
